HAZARDOUS WASTE EXPORT REPORT

Waste Minimization Statement

Clean Venture, Inc. ("Company") is a licensed hazardous waste transporter in numerous states, and also operates as an intermediary arranging for export shipments of other US generators' wastes. This report covers all hazardous waste exported as an intermediary during calendar year 2016. All such waste was delivered to Stablex in Quebec, Canada.

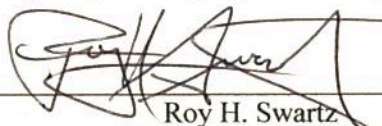

As a licensed hazardous waste transporter, it has long been the Company's objective to reduce waste generated as part of its operations, to the greatest extent technically and economically feasible. Management remains committed to evaluating and implementing cost effective process and/or equipment changes which could reduce the toxicity and/or volume of wastes being managed by the company.

No new technologies or practices have been employed during the past year with respect to the wastes referenced in this report. Employees have been informed regarding the Company's objectives and their input has been encouraged.

CERTIFICATION

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment.
